VIGIL MECHANISM / WHISTLE BLOWER POLICY

(As revised and approved by the Board of Directors on 30.03.2019)

1. PREFACE

Section 177 of the Companies Act, 2013, including any amendments thereto, requires every listed company and such class or classes of companies, as may be prescribed to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed. The Company has adopted a Code of Conduct for Directors and Senior Management Executives ("the Code"), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. Such a vigil mechanism shall provide for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases.

In terms of Regulation 22 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including any amendments thereto, (hereinafter also referred to as Listing Regulations), the Company is required to formulate a vigil mechanism for directors and employees to report genuine concerns. The vigil mechanism shall provide for adequate safeguards against victimization of director(s) or employee(s) or any other person who avail the mechanism and also provide for direct access to the Chairperson of the Audit Committee in appropriate or exceptional cases.

In terms of Regulation 9A of the SEBI (Prohibition of Insider Trading) Regulations, 2015, including any amendments thereto, (hereinafter also referred to as Insider Trading Regulations), the Company is required to formulate a whistle blower policy to enable employees to report instances of leak of Unpublished Price Sensitive Information ("UPSI"). The Company has adopted a code of fair disclosure and conduct ("Insider Trading Code") as required under Insider Trading Regulations, which lays down the practices and procedures that should govern the fair disclosure of UPSI by the Company and regulate and monitor the conduct of designated persons (as defined in the Insider Trading Code) while dealing in the securities of the Company. Any actual or potential violation of the Insider Trading Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. Such a whistle blower policy shall provide for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases.

2. POLICY OBJECTIVES

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the company

Encourages its employees who have concerns about suspected misconduct and/ or who have witnessed or have knowledge of instances of leak of UPSI or have concerns about suspected leakage of UPSI, to come forward and express these concerns without fear of punishment or unfair treatment. The purpose of this Policy is to allow the Directors and employees to raise concerns about unacceptable improper practices and/or any unethical practices and/or other genuine concerns being followed in the organization without the employees being necessarily required to inform their superiors and to create awareness amongst employees to report instances of leak of unpublished price sensitive information. A Vigil (Whistle Blower) mechanism provides a channel to the employees and Directors to report to the management concerns about unethical behavior, actual or suspected fraud or instances of leakage of UPSI or suspected leakage of UPSI or violation of the Code of conduct and/ or the Insider Trading Code adopted by the Company. This Policy is intended to check that whenever any unacceptable/improper practice and/or any unethical practice and/or any instances of leak of unpublished price sensitive information and/ or any other genuine concern is reported by a Director or an employee, proper action is taken to check such practice/wrongdoing and the concerned Director or employee is protected / safeguarded against any adverse action and/or any discrimination and/or victimization for such reporting. The mechanism provides for adequate safeguards against victimization of employees and Directors to avail of the mechanism and also provide for direct access to the Chairman/ CEO/ Chairman of the Audit Committee in exceptional cases.
